[2b] Intel's numbering is not a measurement of higher performance. Dual-core/multi-core is a new technology designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. [4a] For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 35GB of hard drive is reserved for system recovery software. [7] GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. [10] Internet access required and not included. [14] Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. [19] Wireless access point required and not included. [19b] Wireless Broadband use requires included purchased service contract. Check with service provider for coverage area and availability in your area. [26] Bluetooth® is a trademark owned by its proprietor and used by Hewlett-Packard Company under license. [27] EPEAT® Silver registered models of this product are available where HP registers consumer desktop and/or notebook computers. [31] Free recycling in select countries. Program may not be available in your area. Check www.hp.com/go/recycling to see if HP offers free recycling in your area. [33] High-definition (HD) content is required to view high definition images. [51] Wireless access point and Internet service required and not included. [57] Internet connection required for updating and connecting to HP Support. [58] 24x7 support available only in North America. Rest of world is supported during normal business hours. [61] External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen. [62] Requires an operating system with power management capabilities, such as Windows 8 or Chrome. [63] Designation based on actions to reduce transportation-related emissions. [69] Battery life will vary depending on numerous factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details. [75] For service beyond the 2 year free monthly data period, T-Mobile data rates apply. Service starts on date of hardware purchase and is not available everywhere. Data connection speed can vary due to location, environment, network conditions, and other factors. See coverage details at www.T-Mobile.com. Use or activation of service is your agreement to T-Mobile's Terms and Conditions. Available on select SKUs in U.S. only. [75a] See www.T-Mobile.com for current rates. [76] Weight and system dimensions may fluctuate due to configuration and manufacturing variances. [87] This offer is tied to this device and is non-transferable. If this device is returned, the extra storage will be revoked. In order to redeem this offer, you will need to be on Chrome OS 23 or later Internet access is required and sold separately.
